

NATIONWIDE MINE STRIKE IMMINENT

SEEMS INEVITABLE IF OPERATORS HEED COURT INJUNCTION

Lewis Sends Telegram Telling Union Officials That Discontinuance of Checkoff System Must be Regarded as Breaking Existing Agreement—Strike is Only Weapon

INDIANAPOLIS, Ind., Nov. 1.—A nationwide strike of coal miners seemed inevitable tonight if operators heed the injunction issued by Federal Judge A. B. Anderson, which proscribed the "checkoff" of union dues.

FITZMORRIS AND CROWE BATTLE IS RAGING FIERCELY

State's Attorney Sums Members of Police Force

CHICAGO, Nov. 1.—The argument between Charles Fitzmorris, chief of police, and Robert E. Crowe, state's attorney, over vice conditions in Chicago passed the verbal stage tonight when Mr. Crowe subpoenaed a police captain to appear before the grand jury and Alderman John J. Johnson announced that at tomorrow's city council meeting he would present a resolution demanding the chief's resignation.

At the same time Chief Fitzmorris suspended Police Sergeant Gallagher, assigned as chief of the state's attorney's raiding squad, because he refused to report on raids conducted the past few days at the order of Mr. Crowe.

O'Malley immediately was given a job in the state's attorney's office at an increase in salary.

The fight between Chief Fitzmorris and Mr. Crowe, which started Saturday when the state's attorney announced that "since Fitzmorris had failed to rid Chicago of vice, the state would clean up the city," and immediately sent out raiding squads which in the four days have made several hundred arrests tonight was looked on by many as a political war, which some hoped to bring about the chief's resignation.

A telegram sent late today from headquarters of the United Mine Workers of America after it had been definitely heard that the injunction was not yet in effect, advised union officials to regard discontinuance of the "checkoff" as breaking the existing wage agreement.

The telegram signed by President John L. Lewis, vice president Philip Murray and Secretary William Green said:

"Any abrogation or setting aside of any part or section of this agreement, including the section providing for the checking off of dues and assessments cannot be regarded as other than a violation of the agreement and should be treated accordingly by the district officers and local unions."

While no course of conduct for union officials was outlined by the telegram it was said authoritatively that the international officers regarded the strike as the union's only weapon to enforce a contract.

The telegram was sent to officials in sixteen states where the checkoff provision obtains and where 350,000 of the 550,000 union miners are employed.

Text of the Telegram
"As a result of the disagreement between the United Mine Workers of America and the coal operators in the fall of 1919 it was suggested by the government of the United States the miners and operators submit to a commission appointed by the president of the United States, said commission to have full authority to render an award covering every proposition involved. The United Mine Workers agreed to this provision and the commission rendered an award which they decided must be written into the form of an agreement by and between the coal operators and the United Mine Workers of America to be in full force and effect until March 31, 1922. Following the rendition of this award by the United States bituminous coal commission functioning under governmental authority, the president of the United States in a letter addressed to the coal operators and the United Mine Workers of America, commanded both sides to meet in joint conference and duly execute such agreement as was suggested by the bituminous coal commission."

"This was done and the agreement was signed on March 31, 1920. It is obvious that said joint agreement honorably entered into and executed in due form under the direction of the government cannot be modified or changed in any of its provisions until the date of its expiration, March 31, 1922. Any abrogation or setting aside of any part or section of this agreement including the section providing for the checking off of union dues and assessments cannot be regarded as other than a violation of the agreement and should be treated accordingly by the district officers and local unions in your jurisdiction."

MANY EXECUTED WITHOUT TRIAL WATSON ALLEGES

Georgia Man Raises Storm in Senate Tuesday

(By The Associated Press)
WASHINGTON, Nov. 1.—Flat charges by Senator Watson, democrat, Georgia, that many American soldiers in the A. E. F. had been hanged in France without court martial or other trials, caused a storm in the senate today which resulted in the adoption by unanimous vote of an order for an investigation at which the Georgia senator will be asked to present proof of his charges.

A special committee was appointed to make the inquiry after Senator Watson had refused to present his charges before the senate military committee because he said, it was not impartial.

None of the committee by agreement is a member of the military committee. The first meeting will be held tomorrow, but only to decide upon procedure. Bitter exchanges between Senator Watson and Chairman Wadsworth of the military committee and other republicans marked the debate which preceded the vote for an impartial inquiry into the charges.

Senator Wadsworth denied that any American soldiers had been executed without trial while Senator Watson reiterated his charges and when criticized for refusing to present his evidence to the military committee, agreed to submit it to some other investigating body.

A photograph of a structure which Senator Watson described as a gallows from which Americans had been executed, figured prominently during the heated exchanges.

Senator New, republican, Indiana, submitted information which he said he had received from the war department to the effect that of the members of the A. E. F. who had been condemned by court martial, only nine had been executed, whereas Senator Watson had said at least twenty-one had been hanged, many without having been tried.

Examines Army Records
Examination of army records made today by Secretary Weeks revealed that none of the men executed in France during the war was charged with a military offense, desertion or cowardice, or aiding the enemy. The total number of executions by the army was ten. There was no execution he said, until after a full trial.

In each of the ten cases it was declared the sentence of the court was carried out. Six were on charges of rape, three for rape and murder, and one for murder and assault with intent to rape. All were aggravated cases, it was explained.

Sets New Record For Parachute Jump

(By The Associated Press)
KANSAS CITY, Nov. 1.—Sergeant Chambers, of Post field, Fort Sill, Lawton, Okla., today broke what officials say is the record for high altitude parachute jumping when he leaped approximately 26,000 feet or about five miles from an army plane piloted by Lieut. Wendell Brookley, also of Post field. The stunt was performed in connection with the American Legion flying meeting.

Sergeant Chambers' descent took 18 minutes. He landed in the back yard of a private residence about five miles southeast of the flying field.

Sergeant Chambers' former record was 22,002 feet. This was later broken by Lieutenant Hamilton at Rantoul, Ill., last summer, when he made a drop of 23,977 feet. Sergeant Chambers' drop today took place in full view of more than 18,000 spectators gathered at the field and was also witnessed by representatives of the Aero club of America, who will send a sealed barograph to Washington to have it calibrated and the official altitude verified.

Chambers and his pilot were equipped with oxygen tanks and special fur-lined clothing. The ascent, Lieutenant Brookley said, took an hour and a half. Intense cold was encountered during the flight and Chambers and Brookley commenced "smoking" their oxygen when they reached 22,000 feet.

Chambers complained of the cold and said he suffered intensely from the below-zero temperature during the early minutes of the descent. Then he declared he lighted a cigarette and smoked it during half of the downward journey.

Tomorrow Sergeant Chambers expects to make a second attempt to break an altitude record.

During the flying meet today Major Rudolph Schroeder, former holder of the world's altitude flying record, and his wife, flew in from Chicago. They declared that they had flown the 450 miles in four hours.

A huge all-metal plane of the monoplane type, carrying ten passengers, today ascended 14,000 feet. Officials of the meet declared this was a record for a one-motor-plane of this type.

Fred Lemon of Oklahoma City, attempted for the fifth time a parachute jump from a height of only 100 feet. His parachute, opening with the wind and jerking him suddenly from the wings of the plane, descended rapidly over the head of the crowd and landed between two planes at the edge of the field. Lemon suffered a slightly wrenched ankle and was given first aid treatment at the hospital tent at the field. Tomorrow he will attempt to jump from an altitude of only 75 feet.

DELEGATES WILL DO EVERYTHING TO GET RESULTS

Foreign Diplomats Make it Known They Want Peace

(By The Associated Press)
NEW YORK, Nov. 1.—British delegates to the conference on limitation of armaments will go to Washington resolved that, short of compromising the safety of the empire or its sea security they will go to almost any length to meet other great naval powers in a mutual and proportionate effort to relieve their people from the burden of competitive armament.

This declaration was made today by Lord Lee, first lord of the British admiralty and one of the official delegates of his country who arrived on the Olympic with other delegates to the conference from Italy, China and Japan.

"The world," he asserted, "has learned that militarism is a menace to civilization and must be given notice to quit."

"That is what brings us to Washington, and if we all there is a spirit not merely of hope and sincerity, but of fixed determination to convert the president's lofty aspiration into a practical working agreement, the war will not have been fought in vain."

"Speaking as one of the official delegates I come in a spirit of quiet confidence that the results of this conference will be as ample to justify President Harding's far-seeing initiative and personally I am not prepared even to contemplate the possibility of failure. To do so would be to assume that the world was afflicted with an incurable insanity and could not be restrained from suicide."

"The greatest needs of mankind are peace and relief from the burdens of war which peace ought to bring. No one recognizes this more than the British government and people and none has given greater proofs of sincerity in the pursuit of these high objects."

Italy, according to Senator Carlo Schanzer, in a statement issued on landing "has accepted most willingly the invitation from the United States to take part in the conference."

"The undertaking of President Harding," he added, "constitutes an historical fact, the importance of which has not been misunderstood by any one."

"The Washington conference will help towards the re-establishment of such international relations as will be the real guarantee of peace among nations."

AMERICAN LEGION PARADE REVIEWED BY FORMER CHIEFS

Forty Thousand Men March in Review Before Foch and Other Distinguished Military Men—French Marshal is Deeply Impressed by Scene—Legion Men Retain Their Pep

(By The Associated Press)
KANSAS CITY, Mo., Nov. 1.—America's war heroes, reunited in peace, passed in review here today before Marshal Foch of France, supreme allied military commander, and war time chiefs of the entente nations who led them to victory. Veterans from every state marched in the great pageant of the country's one-time armed strength, the annual parade of the American Legion.

It was probably the greatest demonstration of its kind the Legion will ever have as it brought together the great leaders of the war and a stream of marching men that may never again be surpassed in numbers.

Approximately 40,000 veterans were in line according to best estimates available. Several hundred thousand spectators jammed the parade route.

Marshal Foch with General John J. Pershing, General Diaz of Italy, Lieutenant General Jacques of Belgium, Admiral Beatty of Great Britain and Admiral Hugh Rodman of the American navy, Vice President Coolidge and Major General John Lejeune watched the parade from a big reviewing stand.

Men in civilian clothes marched shoulder to shoulder with those who had again donned their uniforms. The old spirit of discipline and training was evident throughout the parade, however, as the veterans strode along in platoon formation and snapped salutes to the reviewing officers.

Preceded by the military band President Obregon of Mexico sent to the convention as a mark of courtesy, the allied leaders rode at the head of the procession until the reviewing stand was reached. There they dismounted and took the places allotted them.

They found a distinguished company, including Vice President Coolidge and the governors of several states already there.

Marshal Foch and General Pershing arrived first. In their party was Captain Eddie Rickenbacker, the American flying ace. They were followed closely by General Diaz and General Jacques with Admiral Earl Beatty and Admiral Rodman not far behind.

The officers had hardly time to settle themselves before they were camped to salute the colors flying in front of motor cars bearing the thirty fire congressional medal of honor men and the parade had officially begun.

States in Alphabetical Order
The state delegations moved past in alphabetical order with Alabama the leader.

Almost three hours elapsed from the time the Alabama contingent swung past until the last man of the Washington state posts had received the salutes of his former commanders. The parade began with a bright sun lighting up the scene and ended when the purple shadows of Missouri autumn evening blended with the heavier shades of dusk. The huge crowds in the roped off streets which had been pushed back with difficulty for hours by police, stayed until the last, as did the allied chiefs, all of whom declared the spectacle had made upon their minds an indelible impression.

All spoke particularly of the execution of the pretty custom followed by the color bearers in dipping departmental and post standards and holding aloft the stars and stripes. The American leaders were particularly gratified, they said, to know that the legionnaires had not lost the art of marching since the armistice was signed.

Marshal Foch said he could not resist the impulse to give his impressions to the country which is his host and an official statement issued by him said:

"It shows the thing that war has done. It has brought out thru suffering that which is dignified and strong and beautiful in men's souls. It has done that for us and for you and for all who fought with us in the long struggle. It was that dignity and strength of soul which I saw today in these marching comrades of mine. Coming to America has enlarged my vision. I have found it necessary to see things on a bigger scale. Today was beautiful."

Dozens of bands made the parade a continual blare of martial and popular music. Each state delegation had one or two and some as many as half a dozen. Colorado's seven foot drum major was an especial attraction.

The whole parade was colorful but in the opinion of many observers in the reviewing stand never more so than when the big Illinois delegation moved by with thirty.

TENNESSEE MAN SELECTED FOR CHAIRMANSHIP

Succeeds White as Democratic Committee Head

(By The Associated Press)
ST. LOUIS, Mo., Nov. 1.—The Democratic party today chose former Congressman Cordell Hull of Carthage, Tenn., as chairman of its national committee and entrusted in his leadership the task of returning the party to power in the election in 1924.

George H. White of Marietta, Ohio, retired to the party ranks, there to "help in the struggle for the ideals of democracy."

The change in leadership which has been held by Mr. White since July, 1920, when he assumed the chairmanship at the call of Governor James M. Cox, of Ohio, the party's nominee for president was assured today, when after conferences last night it was announced that all elements of the party had agreed upon either Breckinridge Long of St. Louis and Washington or Mr. Hull, Mr. Long's ultimate selection was contingent upon the resignation of Edward Galt of St. Louis, committeeman from Missouri.

Mr. Galt said he would not resign in Mr. Long's favor. Mr. Hull then was announced as the agreed candidate for the chairmanship.

Mr. White on arrival here yesterday announced he would not resign, regardless of the opposition of certain party elements to him unless a man could be found on whom all could agree.

WILL BE SOME TIME BEFORE RETURN TO NORMAL CONDITIONS

This is Opinion of Former British Chancellor

(By The Associated Press)
NEW YORK, Nov. 1.—Reginald McKenna, former chancellor of the British exchequer, declared in a formal statement tonight, that "the financial horizon seems clear and though it will probably be some time before normal conditions are restored, I am inclined to say that the corner is turned."

"I would like to add, however," he said, "that it is time for speculation. Recovery is bound to be slow. I find that great interest is taken in the question of international debts between governments. This is a subject upon which I could only speak from the British point of view. We are large creditors and in the relation to the United States we are also debtors. As a debtor I have nothing to say except that England pays her debts. Speaking as a creditor my opinion is that England would be self-satisfied with regard only to her industrial and economic position to remit the obligations to her."

"If I dared to tread on dangerous ground for a moment it would be to say that the influence of the United States is indispensable in the councils of the world."

In England, the calling of the conference by President Harding is most warmly welcomed, he continued. "Peace and industry are the prime needs of the world at the present time and the world looks to the United States to lead the way, he concluded."

Dr. V. K. Wellington Koo, who heads the Chinese delegation, declared China would do its share toward making the conference the success that the entire world hoped it would be.

"One of its objects," he said, "is peace, and peace is the utmost desire of the far east."

"Stabilization of China and recognition of her rights and liberties must be maintained," he added, "and we appreciate the importance of the outcome of this conference."

Other delegates voicing confidence in the outcome of the conference were Count Constantini of Italy; the Rt. Hon. V. D. Srinivasa Sastri, of India, member of the British delegation and General Otake, military expert to the Japanese delegation.

APPEAL CASES TO HIGHER COURT

CINCINNATI, O., Nov. 1.—The cases of Major Lester J. Waterburg of Detroit, and Grant Hugh Browne, of New York who were sentenced respectively to 18 months and two years in the Fort Leavenworth federal prison were appealed today to the United States circuit court of appeals in this city. They were indicted and convicted in Detroit of having conspired to defraud the government in the sale of steel, iron and other war materials and with having bribed Lieutenant B. T. Ramsey, chairman of the committee on sale of government material at Detroit.

FAILED IN ONE OF THEIR OBJECTIVES

FARGO, N. D., Nov. 1.—While opponents of the non-partisan league in North Dakota succeeded in ousting three league-endorsed state officials in last Friday's recall election, they failed in their efforts to pass an initiated law providing for liquidation of the State Bank of North Dakota.

CHINA DEFAULTS ON BIG LOAN

NEW YORK, Nov. 1.—Default by the Chinese republic of the \$5,500,000 loan made by the Continental & Commercial Trust & Savings bank of Chicago, due today, has resulted in abandonment of a proposed loan to China for \$15,000,000.

TRUST COMPANY HANDS OF RECEIVER

LINCOLN, Neb. Nov. 1.—The Federal Trust company of Fremont was ordered placed in the hands of a receiver today by the state department of trade and commerce. The company was capitalized at \$100,000.

SEVERAL INJURED IN R. R. COLLISION

(By The Associated Press)
DANVILLE, Ill., Nov. 1.—The crew and every passenger on Train No. 24, Cairo Division of the Big Four, were severely shaken up and a score or more received slight injuries early this morning when the train collided with eleven loaded coal cars running down on the main track between Carrier Mills and Ledford, south of here.

A freight train had stalled on a grade near Ledford and it had been in two. While the engine was hauling the front end to a passing track at Ledford intending to return for the rear end the latter began coasting down grade. Despite efforts of a brakeman in setting the hand brakes the cars had gained a speed of about 20 miles an hour when they met the passenger train just pulling out of Carrier Mills. The brakeman who jumped from the wild cars and Fireman Copeland of the passenger engine who also jumped were the most severely bruised.

Engineer German stuck to his post and escaped with slight bruises.

JUDGE WILL BE ALLOWED TO RETIRE

WASHINGTON, Nov. 1.—Judge Walter I. Smith, of the Eighth federal court of appeals, would be allowed to retire, altho he has not reached the statutory age limit, under a bill introduced today by Senator Cummins, Republican, of Iowa.

BREWERS MAY USE STOCKS ON HAND TO SAVE THE SICK

Letters Have Been Sent Out by Revenue Officials

(By The Associated Press)
WASHINGTON, Nov. 1.—Letters are to be sent to brewers advising them that beer already manufactured and held in stock may be sold for medical purposes under the new treasury regulations. Internal Revenue Commissioner Blair announced tonight.

Sale of this beer for the sick proper profits. Mr. Blair declared, adding there would be no delay in the issuance of permits to brewers whose applications were without flaw. The bureau, he said, would not allow any red tape to stand in the way of the immediate distribution of beer for medical purposes.

To permit beer held in dealcoholizing plants to be used as medicine, "takes a strained construction" of the law, a formal statement issued tonight, by Wayne B. Wheeler, general counsel for the Anti-Saloon League said.

"We are not much interested in this," he said, "as we are in the enforcement of the provision which prevents any applicant getting a permit who has violated either state or federal law or regulation thereunder. This applies both to the brewer who makes this application as well as to the druggist who will get a permit to sell it."

ASK THAT ORDER BE RESCINDED

CHICAGO, Nov. 1.—A petition to have rescinded the order of Federal Judge Evan A. Evans in his appointment of a temporary receiver of the cooperative society of America on the grounds that the society is solvent, was filed before the United States circuit court of appeals today by attorneys for Harrison M. Parker and other heads of the organization.

The petition asks the circuit court of appeals to review and reverse the decision of Judge Evans and requests that members of the court take into consideration the original bankruptcy petition and other matters relative to the proceedings.

FARMER KILLED BY ENRAGED BULL

PAONI, Colo., Nov. 1.—F. N. Sherfick, 64, a farmer is dead of wounds received yesterday when an enraged bull gored him in the pasture near his home.

WHAT IS MOONSHINE?
The Springfield Journal delivers this timely sermon on the fatal effects of "moonshine."
"All of the terms that fate and the jokesmiths have applied to illicit booze are significantly suggestive of the mental and physical ruination it works."
"Moonshine insinuates lunacy. What is worse than a case of moonshine lunacy?"
"White mule is expressive, but why has that term been attached to the liquid fire that flows from the basement still?"
"A white mule is so rare we may safely say that the hallucinations who says he sees one. White mule booze causes hallucinations in which the patient thinks he sees many other things and creatures, more wonderful and grotesque than white mules."
"The licensed saloon's liquor coined its alcoholics for the public institutions and their said finale in the potter's field, but there was variety from which the drinker might choose according to his tastes and his economic condition. He would have a slow death or a rapid death. It was all bad for the consumer, bad for his family, bad for society, bad for the country in which he lived; and that's why it has been banned. But it was silk and velvet, purple and fine linen, compared with what has taken its place."
"The throwback and rot of the lower order of saloons, we thought was the acme of the possibilities for evil. Now we have no choice; that which all must drink who have not laid by their supplies, is far worse than anything that the lowest dive formerly set out. The doctored and poisoned liquor that knocked 'em out never equalled in wickedness, filth and depravity the moonshine that is sold in large quantities both in and outside the limits of the city."

"Men who make and sell this stuff are criminals, violating the constitution and the laws of the United States."
"Men who buy it and drink it are mere fools."

There were other women who felt that rest room establishment is a very desirable thing. The conference took the wise action of providing for a further expression of opinion.
Certainly Jacksonville people who are fostering this enterprise have taken the action thus far in the belief that a rest room established here will be of advantage to the whole county. They have felt that especially the women of the county would approve such a plan. If this is not the case and the people non-resistant in Jacksonville do not want a county rest room established, the proper course is either not to establish such a rest room or else to have

HELD CONFERENCE ON PROPOSED REST ROOM

Representatives of Various Organizations Considered Questionnaire—Questionnaire to be Sent to County Woman's Clubs.

A conference was held at a noon luncheon at the Peacock Inn Tuesday for the purpose of further discussion with reference to the suggested establishment of a rest room. Thomas Worthington, chairman of a subcommittee representing Jacksonville organizations presided with Harold Welch, of the Chamber of Commerce, serving as secretary.
Representatives of the Woman's clubs throughout the county had been invited to be present and express their views with reference to the project. Most of the clubs were represented and nearly 40 people attended the conference.
A brief statement as to the general rest room plan was made by Mr. Worthington and some further statements by Charles T. Mackness another member of the sub-committee. Then J. K. C. Pierson had been requested to draw plans for changes which might be made in the court house and provide rest room facilities, explained the blue prints which had been distributed among those present.

Majority Favored Plan.
At the conclusion of the discussion, at the suggestion of Dr. Black a vote was taken on the question of the desirability of establishing a rest room without taking into account cost of the project or the method of maintaining it. The majority of those present favored the establishment of the rest room. However, it developed in the discussion that quite a number of the women representing clubs outside of Jacksonville took the view that a rest room today is not needed nearly as much as it was before time of the automobile. Further, they expressed the opinion that such a rest room, if located here, should be maintained at the cost of Jacksonville and not by the county at large.
Mrs. W. T. Scott and others who spoke in behalf of these clubs, made it clear that their organizations were opposed to any project which would at this time add anything to the taxation costs. Mrs. W. H. H. Hirschen of Alexander and Mrs. J. T. Gunn living a few miles west of Jacksonville, both spoke in favor of the project.

Mr. Mackness in presenting the general facts about the project said that rest rooms of the kind proposed here are maintained in the county seats of Sanagon, Tazewell, Hancock, Jersey, Greene, Scott and Menard counties, according to information at hand.
As a conclusion of all the discussion it was decided that a questionnaire relative to the rest room project shall be sent to all the woman's organizations throughout the county for a formal expression of their views. The Jacksonville people present made it plain that they certainly did not wish to establish a rest room unless there is a need for it, and further unless the majority of the people in the county wish such an improvement.
Among those who took part in the discussion about those already mentioned were H. M. Andre, T. M. Tomlinson, H. J. Rodgers, Charles S. Black, Judge H. P. Samuel, Mrs. H. E. Kitzer, Mrs. William Cleary, Mrs. C. L. Hawker, Miss Onken and Mrs. Charles Gibson.

Dance at Auto Inn tonight. Brown's Orchestra.
HOWITZER COMPANY IN REGULAR DRILL
The howitzer company had its weekly drill Tuesday evening at the Armory hall. The sights for the 37mm. guns and the field glasses have arrived and some very interesting drill was carried out with these instruments. Using the sights on the 37mm. guns is every interesting work and the members of the company like the work fine. The public is welcome on drill nights to look these guns over. The company will appear in full uniform in the Armistice day parade.
The company is going out for a good time and a big 'coon hunt Thursday night and all the members of the company are wanted. If any coons are found a feed will be held at the Armory.

Dance at Auto Inn tonight. Brown's Orchestra.
SWIFT EMPLOYEE SUFFERS INJURY
Charles Sexton, 703 Ashland avenue, injured his arm yesterday while at work in the butter department of Swift and Company's plant here. A cog wheel on a butter cutting machine flew off, a piece of it striking Sexton in the arm, badly bruising it. He was taken to Dr. A. M. King, where the necessary treatment was given.
ATTENDED NURSES MEETING TUESDAY
Miss Reicks, Miss Mount and Miss Ryan, of this city attended the Nursing Service meeting of District 13 in Springfield yesterday.
George Colwell of Alexander, was among those who attended the district stewards' meeting at Grace church Tuesday.
FOR COMMISSIONER
As the Democratic candidate for county commissioner, I will appreciate your vote at this polls. It elected I will seek to do my duty at all times.
Robert S. Hamilton.

OLD JACKSONVILLE OLD DOCTOR'S WAYS

(BY ENSLEY MOORE)
Member Illinois State Historical Society

The question was asked the other day if there was any educated physician here, before Dr. Henry Jones? The reply was another question as to whether Dr. George Cadwell was fully educated, and the speaker was not certain. The honor of being first among our doctors lies with Dr. Cadwell, who came here from southern Illinois; about Belleville, and Dr. Enó Chandler, both of whom were men of high character and ability. Probably Chandler was first in Morgan. Cadwell settled in Lynnville and was our first state senator.

Dr. Chandler
became one of our leading men, in all ways, and possessed of much property. He gave the beautiful block on which Jacksonville Female Academy stands, to the school, and he gave the site of the First Presbyterian church at the northwest corner of State and Church streets, to it. He built the Dr. Howe house, and the small part of the Dennis Rockwell-Frost house on West State street.

Along about the early fifties he went to Warsaw, his future home. Apparently at first, he was very poor, having neither horse nor vehicle. He would go rushing thru the briars and bushes on his visits and get his clothes badly torn. Then borrowed thread and needles from his patrons, and took time to put himself in repair.

CLUBS AND SOCIETY
Lambda Members Enjoy Tea.
The members of Lambda Mu society at Illinois Woman's college had a tea yesterday in the society hall instead of the regular weekly program meeting. There were no special guests present and afternoon tea was served at five o'clock. Miss Margaret Marker is the president of the society and Miss Viola Jungerich is chairman of the program committee that arranged for yesterday's affair.

Martin Graff Hosts
Martin Graff entertained eleven of his boy friends at his home on West College street yesterday evening at a 6 o'clock dinner in honor of his birthday. After a delicious meal the boys enjoyed a general good time and departed, wishing Martin many returns of the day.

Entertain Camp Fire Girls.
The Krona Camp Fire Girls gave a masquerade party last evening at the home of their president, Miss Hazel Carlisle, on East State street. Twelve Boy Scouts had been invited and all the guests were in masquerade. The evening was filled with games and the general merriment proved that all were enjoying the event to the fullest extent. Miss Margaret Carlisle, also a member of the camp fire group, was an assistant hostess. The guardian of the camp fire group is Miss Boatrice Horsbrugh of the Illinois Woman's college faculty.

Children's Party at Johnson Home.
Mrs. John Johnson gave a delightful little children's party yesterday afternoon at her home on South Main street, for her daughter, Mary Helen Johnson. Eighteen guests had been invited and the house decorations and games carried out the spirit of the Halloween season, as did the delicious refreshments served during the afternoon.
Congregational Societies Held All Day Meeting.
The ladies of Congregational church held an all day sewing yesterday in the rooms of the Pilgrim Memorial. The morning hours were spent in sewing for the bazaar which will be held early in December. Luncheon was served at noon by a committee of hostesses of which Mrs. Eb Spink was chairman.
The afternoon was given to a joint meeting of the two church missionary societies. Miss Ruth Bailey had charge of the program and read an interesting paper on the education of the deaf and blind children in foreign countries.

Supper In Honor of Colonel Capps.
Mr. and Mrs. A. T. Capps entertained at an informal supper party at their home on North Church street last evening in honor of Colonel Edward Capps, of Princeton, who is visiting here for a few days. The limited number of guests were members of the Capps family.
Company at Matthews Home.
An informal evening party was given Monday at the home of Mr. and Mrs. Fred R. Matthews on Jordan street. The affair was in the nature of a Halloween party and the evening was spent in playing cards. Refreshments in keeping with the occasion were served by the hostess. The guests were: Mr. and Mrs. Edward Zahn, Mr. and Mrs. Adams Jaeger, Mr. and Mrs. Robert Blenbaum, and Mr. and Mrs. Virgil Edwards.

New Freshman Society.
The new Freshman society of Illinois Woman's college had the first meeting yesterday afternoon in Expression Hall. The affair was a delightful afternoon tea given by Miss Olive Austin, the dean and Miss Mary Anderson, the Freshmen class advisor. The hall was attractively arranged with garden flowers and afternoon tea was served during the hours of the meeting.
The new society is to include all Freshmen girls and will meet every week in Expression hall on Tuesday afternoon. The constitution of the new organization was read yesterday afternoon and a nominating committee named to select list of officers to be selected later.

Masquerade Party at Home in Orleans.
A masquerade party and wicker roast was given Saturday night at the home of Mr. and Mrs. Henry Kohrs, southeast of the city. All the guests came masked and the evening was pleasantly spent with games and music. Prizes in the contests were won by Miss Ethel Smith and Orville Smith.
Those present were Mr. and Mrs. Theodore Lukeman, Mr. and Mrs. Clarence Smith, Mr. and Mrs. Henry Smith, Mr. and Mrs. Charles Duffer, Mr. and Mrs. George Woods, Marie and LeRoy Duffer, Russell and Effie Woods, Ethel Smith, John Lukeman, Orville Smith, Mr. and Mrs. Henry Kohrs, Minnie Kohrs, Dick Fernandes, Peter Brady and Mr. and Mrs. Fred Kohrs.
S. S. Class Meets At Home of Miss Hess.
Mrs. O. N. Barry's Sunday school class of the First Baptist church held their regular monthly meeting at the home of LaPera Hess. This meeting was in the form of a Halloween social after the business was transacted.
The roll call by the secretary showed an excellent attendance. The minutes were then read and approved.
The class also decided that they are going to do as much as possible in charity work this winter.
A group of songs was given by Miss Mary Gertrude White and much enjoyed by those present.
Games were then played. Virginia Gaskins won first prize for tugging the donkey; Ruby Oyster won the prize for bobbing for apples, and Virginia Gaskins for biting an apple.
Refreshments were then served and souvenirs of the day given. The class adjourned to meet at the home of Edith White, for the November meeting.

Strawn's Crossing Club Held Annual Meeting.
The Strawn's Crossing Country Club held its annual open meeting last evening at the home of Mrs. Homer Cully on West College avenue. At this meeting the club members entertained their husbands and a number of other invited guests. At seven o'clock a delicious dinner was served in the dining room where pink and white had been attractively used in decorations.
At eight thirty a most interesting program was given. The boys quartet from the Conservatory of Music sang a group of songs and Miss Mary Rose Adams of Illinois Woman's College gave an entertaining group of readings.
The Cully home had been artistically arranged for the event. The living room and library showed the Halloween touch in the use of pumpkins, witches, cats and weird Halloween objects. Bitter sweet gave an added charm to the library.
The domestic committee in charge of the supper was chairmaned by Mrs. H. D. Arnold and included Mesdames Edward Phillips, Edward Deaton, Charles Belfear and William Murray.
The program committee chairman was Mrs. Roy Newberry and she was assisted by Mrs. Clifton Corrington and Mrs. A. C. Foster.

Dr. Henry Jones
was one of the medical faculty of Illinois college, coming about 1830. He came from New York City and accumulated a reasonable competence. He lived last at the northwest corner of College avenue and Fayette street. He was a fine looking man, and one of the best doctors here. He was not related to Dr. H. K. Jones, who came here from Missouri and Virginia and was graduated from Illinois college.
Dr. Archimides Smith
was a well known early day Kentuckian here, the father of Tactus Rice Smith, so long with the Wabash railroad. He was as careless in personal appearance as Dr. Henry Jones was the opposite. He had a good brick residence on East State street about where the Emporium has been of late.
Dr. George Y. Shirley
lived, during the fifties, in a large stuck down house on the corner where the Pacific hotel now is, on East State street. He had a good sized family of nice people. One was Dr. Henry B., and another Dr. Edward of White Hall. They were great Methodists and attended the East Charge or Centenary church. Dr. G. Y., united the practice of dentistry and of homeopathy, when both were newer matters of experiment.

Dr. Chandler
was one of the medical faculty of Illinois college, coming about 1830. He came from New York City and accumulated a reasonable competence. He lived last at the northwest corner of College avenue and Fayette street. He was a fine looking man, and one of the best doctors here. He was not related to Dr. H. K. Jones, who came here from Missouri and Virginia and was graduated from Illinois college.

WITH THE SICK

John Stice who has been a patient at Passavant hospital was able to return to his home in Ashland yesterday.
Little Wilbur Meyers was able to leave Passavant hospital yesterday and return to his home in Bluffs.

Miss Edith Weller, who has been ill at her home in Tuscola, Ill., has recovered and returned to the Illinois Woman's college, where she is a student.
Mrs. Thad L. Wiseman, who has been ill for the past three weeks underwent a slight operation on Monday of last week, is now doing nicely.

CARD OF THANKS

We wish to thank the many friends and neighbors who assisted us so kindly during the illness and after the death of our beloved mother, Mrs. Mary A. Walters, also for the many beautiful flowers.
The Children.
Thomas Doolin of Woodson was drawn to the city by business yesterday.
Mr. and Mrs. John White of Murrayville were city callers yesterday.

My Son!

The world awaits the conquering step of that boy of yours—grown up to stalwart manhood.

In any walk of life he may choose, there are opportunities for him.

Yesterday was the era of self-made men—tomorrow comes the day of the trained men. And training means education.

How will that boy of yours get his education? You have all the intervening years to make the answer. You can commence to save now—as little or as much as you can lay aside—and be ready for the day when that grown-up laddie starts to college.

It's so much easier to do it that way.

THERE'S a reason for saving. Start this very week. We'll be glad to show you how.

ROODHOUSE CLUB TO GIVE BANQUET SOON

Members of Service Club to Entertain Ladies Thursday Evening—Other Roodhouse News.

Roodhouse, Nov. 1.—A banquet is to be given by the Service Club Thursday evening, when the ladies will be the guests of honor. The entertainment committee of the club has arranged a very nice menu for the occasion and there will also be a good program. The banquet will be served at 7 o'clock and the entertainment program will follow.

Nearly two hundred teachers were in attendance at the teachers' institute held here the past week. The institute was conducted by County Supt. Scott and his assistant, Miss Dodsworth. Supt. Hutchins acted as host in behalf of Roodhouse.

A. L. McClay of Hillview has sold 400 acres of upland lying south of Hillview and known as the Lowenstein dairy farm, to Frank Vosseler, W. F. Dillmar and Frank Arnold, all of White Hall. The farm will be occupied and superintended by Mr. Arnold.

CHARLIE RAY MAY VISIT THIS CITY

Famous Movie Star Who Was Born Here May Stop Off on Way to New York—Chamber of Commerce Invites Him

The Chamber of Commerce has wired to Charles Ray, famous movie actor born in this county, an invitation to stop over in Jacksonville on his trip to New York. If he accepts the invitation a Charles Ray day may be celebrated.

The famous actor is preparing to tour the east and according to a Los Angeles newspaper, he will stop in Jacksonville. This probably means that he will visit the Litterberry neighborhood and sample some of Grandmother Henderson's cake.

The Los Angeles newspaper goes on to say regarding his tour: "George Rizard, cameraman at the Ray studio, will accompany the party cast for the purpose of 'shooting' some of the scenes to be included in 'Smudge,' the photoplay which is now in the making at the Ray studio. On the return trip Charles will probably tour the Southern states. His party will include Mrs. Ray Richard Willis, his manager; Albert A. Kidder, Jr., and his cameraman Rizard."

The movie star's father, Charles Ray, Sr., spent two weeks in Jacksonville during the summer, visiting relatives. At that time he stated that his son would probably visit the city sometime during the fall.

KANSAS CITY LIVE STOCK

Kansas City Stock Yards, Nov. 1.—Receipts Monday were 16,000 cattle and 4,000 calves, the smallest supply on any Monday in several months past. The decrease was caused by the fact that loadings on long distance hauls were cut down late last week in anticipation of interrupted rail service. When the railroad men decided not to strike it was too late in the week to get liberal supplies under way. The decreased receipts brought stronger prices. Fat cattle were up 10 to 25c, and stockers and feeders were steady. By the middle of the week liberal supplies will be moving again and fairly large supplies will be here next week. Texas, New Mexico, and Colorado will ship liberal supplies of calves, yearlings and two this month. At the same time the next thirty days will conclude the best buying period. Selected stockers are selling at \$6.25 to \$7, best feeders \$6 to \$6.50, and the bulk of the good to choice thin steers are bringing \$5.25 to \$6. Stock heifers are selling at \$3.50 to \$5.25, and stock cows \$2.30 to \$3.50. Ordinary classes of stock steers are selling at \$4 to \$4.75.

Hog prices last week reached the lowest level of the season, and today with receipts below expectations rebounded 15 to 25c; top \$7.70; bulk \$7.25 to \$7.65. Pigs and stock hogs are selling at \$7 to \$8.

Fat sheep and lambs are 50 to 75c higher than a week ago, and feeding lambs up 50c. Thin lambs are bringing \$6.75 to \$7.75. Indications are that 40 per cent fewer lambs will be fed this winter than last winter.

CHARLES M. PIPKIN,
Market Correspondent.

Mr. and Mrs. James Henry of near Winchester traveled to the city yesterday.

PLAN OBSERVANCE OF ARMISTICE DAY

Committee Has Been Appointed To Make the Necessary Arrangements.

Plans for Armistice day celebration, November 11, have been started. A committee representing the Service Star legion, American legion, Rotary club, Kiwanis club, Ministerial association, Chamber of Commerce and public schools, met in the Chamber of Commerce rooms yesterday.

So far the plans include a parade of all the military organizations in the morning and a patriotic program in the afternoon. Armistice day is a national holiday so most of the business houses will close at least a part of the day.

The committee which met consists of the following: G. H. Koppel, general chairman; Stanley Wright, Rev. W. H. Marbach, Principal B. F. Shafer, John Johnson, W. T. Harmon, Mrs. Lee Alcott, Mrs. Fount J. Andrews, Mrs. R. Shoemaker and Harold Welch, as secretary.

Another meeting of the executive committee and the sub-committees on parade, program and decorations will be held at the Chamber of Commerce rooms at 4:30 o'clock Wednesday afternoon, to further perfect the plans.

STATE STREET PRESBYTERIAN CHURCH

A family fellowship supper will be served to the members of State Street church on Thursday evening at 6 o'clock. A brief meeting of the congregation will be held after the supper. The Sunday school orchestra has consented to add pleasure to the occasion. Members or friends planning to attend the supper should call Mrs. W. D. Doying or Mrs. C. A. Johnson for information regarding the menu. Each family is asked to bring sandwiches besides a prepared dish of some kind.

HERE ARE WIDELY DIVERGENT VIEWS, TAKE YOUR CHOICE

Gompers and Olmstead Give
Opinion of Injunction

WASHINGTON, Nov. 1.—In statements commenting upon the injunction against miners' union activities in West Virginia issued by Federal Judge Anderson at Indianapolis, President Samuel Gompers of the American Federation of Labor said today that such actions are making it impossible for us to have a law-abiding, patriotic and rational labor organization of American citizens, while Harry Olmstead, representing the Operators' association of the Williamson field, said that "the ruling * * * frees the coal industry of the nation and restores the right of individuals, both operator and miner, to contract with each other as guaranteed by the constitution and the laws of the United States."

"Judicial actions of Judge Anderson and others like him * * * take the possibility for progress out of the hands of the rational labor movement," Mr. Gompers said. "It becomes quite apparent," said Mr. Olmstead that this situation has brought to life the question as to whether the United Mine Workers of America is to be recognized as stronger than the government."

Continuing Mr. Gompers said: "If orderly, well regulated reasonable labor activities are so treated the working people will find some way to protect themselves, to proceed to protect against such things as are contained in Judge Anderson's decision."

"The workers will make short shift of the conservative leadership they have now and will easily find others to go with them on a different course. I cannot understand how a man like Judge Anderson cannot understand that the labor demands that he heard today are the minimum to which conservative leadership has been able to reconcile the membership of unions."

Mr. Gompers was asked if the "checkoff" system of collecting miners' union dues also forbidden by the Indianapolis injunction was included in his defense of the union activities.

"It has existed more than 20 years by mutual agreement," he replied, "and I cannot see why a judge interferes today."

"The decision is all part of the attempt to repress and subdue labor that is prevalent now, of the open shop campaign and for that Judge Anderson is a leader, and not an impartial judicial officer. He has thrown his whole power and influence against the workers—against the men and women who toil."

The ruling of Judge Anderson as embodied in the injunction order, Mr. Olmstead said, "will restore the merit system and result in closer individual relationships between employer and employee."

"I feel," he added, "that a great question has arisen because of this decision that can hardly be formed by the operators making their employees feel that they are being treated fairly."

"There will be substituted for organized force and arbitrary action co-operation—a condition that will afford the employers of labor the splendid opportunity so long denied them to again get in close personal touch with their employees and in a spirit of mutual interest work out in harmony the

problems in which both are so vitally concerned."

"We hope the employers of labor will take every advantage of this opportunity and so act with and toward their employees that the results of such action will produce a better understanding on the part of those who labor and cause laboring men everywhere to feel and know that the greatest success is only made possible by individual initiative effort and work."

PRUSSIAN MINISTRY HAS RESIGNED

Berlin, Nov. 1.—The Prussian ministry has resigned. Its decision was taken after the failure of attempts of Premier Stegerwald to reconstruct the ministry. The president in advising the diet as the reason for the resignation said that in addition to be called upon to form a cabinet which would have the support of the majority of the Prussian people the Democratic party had adopted a resolution to the effect that a government in which only two were represented would be impossible in view of the new political situation. Consequently the Democratic members of the cabinet had been invited to resign.

MARSHAL FOCH WILL SEE FOOTBALL GAME

Chicago, Nov. 1.—Marshal Foch, who will be Chicago's guest Saturday, will witness his first football game in America when he attends the Ohio State-Chicago contest as the guest of President Harry Pratt Judson of the University. Several boxes have been reserved for the Foch party, which will be escorted to the game by the ex-service men of the university.

TEX RICKARD FINED \$500 AND COSTS

Chicago, Nov. 1.—Tex Rickard, promoter of the Dempsey-Carpenter heavyweight championship fight today was fined \$500 and costs by Federal Judge Carpenter after entering a plea of guilty on charges of transporting motion pictures of the contest into Illinois from New York. Rickard will be able to display the pictures in Chicago and other cities in the state without further prosecution.

JAPANESE DELEGATES VISIT CHICAGO

Chicago, Nov. 1.—The Japanese delegation to the Washington armament conference reached here at 4 p. m. today and an hour and a half later departed for Washington. They expect to reach the capital tomorrow afternoon. During the brief stay in this city the delegation was escorted on a short automobile tour by a number of their countrymen who met them at the station.

OVER 5,000 MINERS RESUME WORK

Seranton, Pa., Nov. 1.—More than 5,000 mine workers idle since Sept. 1, when the Glen Alden Coal company closed down six of its colliers here because of the Kohler mine cave-law, resumed work today. Operations were also resumed at the Price-Pan-coast mine in Throop, closed at the same time for a similar reason.

ST. VIATORS STUDENT KILLED ACCIDENTALLY

Kankakee, Ill., Nov. 1.—Harry Stull, 19, son of Homer Stull, prominent real estate dealer and a student of St. Viators College, accidentally killed himself with a shotgun here today while hunting with a boy friend. Stull was pulling the shotgun out of a boat on the Kankakee river when it discharged striking him in the breast. He died in fifteen minutes.

ARMY WINS GAME FROM NAVY TEAM

Kansas City, Mo., Nov. 1.—The army football eleven from Fort Sill, Oklahoma, won a decisive battle today when they defeated the navy team from Great Lakes Naval Training Station 20 to 6. Attempts at forward passing by the navy team were largely unsuccessful owing to the ability of the army backs in breaking up passes. Straight football marked the contest.

WILL DEPOSE THE HAPSBURG DYNASTY

Budapest, Nov. 1.—The cabinet has decided to comply with the allied ultimatum to depose the Hapsburg dynasty and has convoked the assembly for Thursday to pass the necessary motion. Former Emperor Charles and his wife have left Thannay and sailed aboard the British Gunboat Glow Worm, for Galatz, Rumania.

LOANS CONSIDER WAGE REDUCTIONS

CHICAGO, Nov. 1.—The matter of proceeding to procure further reductions in railroad employees' wages, with the object of reducing rates is "well in hand" with the various railroads and the necessary move is being the questions before the Interstate commerce commission and the United States labor board, will be taken at once. T. DeWitt Cuyler, chairman of the railway executives' association, said in a telegram tonight to W. H. Chandler, president of the National Industrial Traffic league.

TWO KILLED AT GRADE CROSSING

Grand Rapids, Mich., Nov. 1. Clarence J. Foster, 29, an electrician employed by the Pennsylvania railroad, and an unidentified young woman were killed tonight when the automobile in which they were riding was struck by a Michigan Railway interurban car operated by Motorman E. D. Caudell, who was seated upon the end of a casket containing a body being brought here from Kalamazoo.

NATIONWIDE MINE STRIKE IMMINENT

(Continued from Page 1)
"If we are advised that the outside the jurisdiction of Judge Anderson's court we are bound by the terms of his injunction we shall of course comply. If our counsel tells us that we are not legally bound by this injunction but that on the ground of public policy it would be wise for us to do so, what course will we take? do so. What our course will be I cannot forecast. We are not wedded to check-off system. It was forced on us in 1897 at the end of a long strike in which both sides were exhausted."

Decision is expected by December 15, the next Illinois pay day at the coal mines.

The checkoff system is the way the unions have of collecting their dues thru the coal operators, the companies withholding the amount of these dues from the men and paying it to the unions. In this state Mr. Honnold said he figured the dues so paid amounted on an average to 2.91 per cent of the miners' wage.

Mr. and Mrs. James Henry of Winchester were callers in the city yesterday.

Mrs. Edna Crouse traveled from Murrayville to the city yesterday.

LOANS AGGREGATE NEARLY \$3,000,000

WASHINGTON, Nov. 1.—Advances for financing agricultural, livestock, wheat and cotton loans aggregating nearly \$3,000,000 were announced today by the war finance corporation. Seventeen transactions were listed. Six advances totalling \$170,000 were made to South Dakota institutions on agricultural loans and several to western livestock financing concerns.

MAY BE ABLE TO PASS SUBSTITUTE

WASHINGTON, Nov. 1.—Sales tax proponents in the senate claimed tonight to have close to the necessary majority to put through one of the three alternative plans offered by Senator Smoot, republican, Utah, as a substitute for the miscellaneous excises continued in the pending tax revision bill.

GALVESTON WATER FRONT TIED UP

Galveston, Texas, Nov. 1.—Virtually the entire water front was tied up here today as the result of failure of cotton screwmen, deep sea longshoremen and master stevedores to reach an agreement on wages and working conditions. Coastwise boats are not affected. Indications for an early settlement of the differences are considered favorable.

Rheumatism

A Remarkable Home Treatment
Given by One Who Had It

In the year of 1892 I was attacked by Muscular and Sub-Acute Rheumatism. I suffered as only those who are thus afflicted know for over three years. I tried remedy after remedy, but such relief as I obtained was only temporary. Finally, I found a treatment that cured me completely and such a pitiful condition has never returned. I have given it to a number who were terribly afflicted, even bedridden, some of them seventy to eighty years old, and the results were the same as in my own case.

"I Had Sharp Pains Like Lightning Flashes Shooting Through My Joints."

I want every sufferer from any form of muscular and sub-acute (swelling at the joints) rheumatism, to try the great value of my improved "Home Treatment" for its remarkable healing power. Don't send a cent; simply mail your name and address, and I will send it free to try. After you have used it, and it has proven itself to be that long-looked-for means of getting rid of such forms of rheumatism, you may send the price of it, One Dollar, but understand I do not want your money unless you are perfectly satisfied to send it. Isn't that fair? Why suffer any longer, when relief is thus offered you free. Don't delay. Write today.

Mark H. Jackson, 218 H Durston Bldg., Syracuse, N. Y.

CONCORD WOMAN
DIED TUESDAY

Mrs. Eliza Jane Roberts Passed Away at Home at 5:10 o'clock—Funeral Services Thursday Afternoon

Mrs. Eliza Jane Roberts passed away at her home in Concord at 5:10 o'clock Tuesday afternoon.

Decedent was the daughter of Armstrong and Mary Silcox Cooper, and was born in Jacksonville, October 29, 1840.

April 6, 1866, she was united in marriage to Frank L. Roberts, at Concord. She is survived by three children: Mrs. James Webster, of Concord; Mrs. W. W. Greer and Mrs. R. R. Englehart, of Desport, Iowa. There also survive one brother, James Cooper of Concord, and one sister, Mrs. A. C. Rexroat, of this city.

Mrs. Roberts was for many years a member of the Concord M. E. church and was active in

the work of the organizations. Funeral services will be held from Concord M. E. church Thursday afternoon at 2 o'clock in charge of the Rev. Thomas Symon of Rockbridge. Burial will be made in Concord cemetery.

Dance at Auto Inn tonight at Brown's Orchestra.

C. H. Martin of South Last street left last night for Moran, Kansas, to look after business interests.

THE BIGGEST BARGAIN YET—OUR ENTIRE REMAINING STOCK OF LADIES' TAILORED SUITS IS OFFERED TODAY AT HALF PRICE—150 BEAUTIFUL SUITS—BEST COLORS—BEST MATERIALS—BEST WORKMANSHIP—NOW FOR JUST HALF. F. J. WADDELL & CO.

RED CROSS HELD
MEETING TUESDAY

Was Held at Alexander With Large Attendance—F. J. Kaiser Was Chairman.

The monthly meeting of the Morgan county Red Cross nursing activities committee, was held in Alexander last night at the schoolhouse. The meeting was unusually well attended, there being more than forty Alexander people and others from neighboring districts present.

F. J. Kaiser, as chairman of the Alexander branch, presided over the meeting. The nurses' report for October was read and proved to be interesting and instructive. It dealt with a large number of community problems in connection with the nursing activities and asked for the support and co-operation of the teachers in this work.

The meeting then resolved itself into a roll call meeting, and those present listened to an inspiring talk by Miss Clara C. Arthur, Morgan county Red Cross roll call director. During the roll call meeting Mrs. Charles Strawn was appointed chairman of the Alexander branch for the coming drive.

The nursing committee for Alexander district has been doing fine work and deserves mention. The committee follows: Dr. W. H. Schott, chairman, Mrs. Clark Stevenson, Mrs. George Orear, Mrs. George Ruble, Mrs. John Indy, Mrs. Noel Wiley, Mrs. F. J. Kaiser.

HARD ROAD WORK MOVES RAPIDLY
Contractor Lonergan needs only three or four more days of good weather to complete the hard road work started at Arnold to a point which will connect it with the present hard road. When this has been completed the work will begin from Arnold east, some of the grading having already been done. Altho it is uncertain at this season of the year just how long road work will continue, Mr. Lonergan will make the best use of favorable weather.

WILL MAKE ADDRESS AT WOMAN'S COLLEGE
Dr. Richards, returned missionary from Africa who is to address a united meeting of Methodists at Grace church tonight, will speak before the students of Illinois Woman's college at 10 o'clock this morning. Dr. Richards has a message of great interest.

MISSIONARY SPOKE AT
GRACE M. E. CHURCH

Dr. E. S. Richards, Missionary from Africa, Heard in Fine Address Last Night—Will Speak Again Tonight.

Dr. E. S. Richards, a returned missionary from Africa, delivered an unusually fine address at Grace church last night after the fellowship dinner. He will speak again at Grace church tonight and will tell of the mountains that are 20,000 feet high and how the native can slide from the top to the bottom without wearing out his trousers. He will tell of the diamond mines of Kimberly and of the wonders of God's grace in transforming a savage into a Christian of high ideals.

Those who failed to hear Dr. Richards' address last night missed a rare treat and should not fail to hear him tonight. He showed in striking figure the greatness of Christ's program. His inexhaustible riches and the certainty of His triumph in Africa and throughout the world. After listening to him you will wonder that any one could ever yield to discouragement.

A union prayer meeting of all the Methodist churches will be held tonight at Grace church, led by Rev. C. D. Robertson of Centenary church, beginning at 7:30 o'clock. Dr. Richards will speak at 8 o'clock.

HI Y CLB MET TUESDAY EVENING

The Hi Y club had a regular weekly meeting at Northminster Presbyterian church last evening with forty-nine members present. The boys enjoyed a delicious supper prepared by the ladies of the church with Mrs. Sardinha as chairman.

After the supper a business meeting was held and a report of the committees on activities given. The committee reported arrangements and plans for members of the club to meet the teams coming here to play the high school, and devised ways of entertaining the teams while in the city. The club is encouraging athletics very much, and is urging its members to enter all activities of this kind possible. John Hackett, a member of the club, has been appointed to take charge of the Junior High basketball league. After the supper Clarence Souza lead a rousing cheer for the church ladies to show the boys' appreciation for their efforts.

Following the business meeting the regular Bible study lesson, was taken up with J. S. Finney in charge.

MISS HINRICHSSEN BEGINS RED CROSS WORK
Miss Anne Hinrichsen has recently accepted an urgent request to enter the service of the National Red Cross organization. Miss Hinrichsen, who has been for several months past at her home in Alexander, has already entered upon her duties and will serve as a field representative. It has not been announced in which state Miss Hinrichsen's work will be located, but she is without doubt well qualified for the duties attached to the important position.

Miss Hinrichsen's mother, Mrs. W. H. H. Hinrichsen, is to leave soon for New York City where she will spend the winter months at the home of her son.

COMMITTEE ON HOTEL HOLD MEETING
The committee on the new hotel project met at the Chamber of Commerce rooms last evening and discussed plans for the hotel. Nothing definite in the arrangements for this enterprise were made, as the meeting was mostly an organization or get-together meeting. Members of the Poultry association met with a committee of the Chamber of Commerce to talk over plans for the annual poultry exhibit, and this meeting too was an organization meeting, nothing definite being done at this time.

EAST SIDE TUESDAY
CLUB MEETS AT J. S. H.

Mrs. E. L. Hill Is Hostess to Club Women Tuesday Afternoon—Members of Women's Clubs of County Guests of the Afternoon

The East Side Tuesday club met Tuesday afternoon at Jacksonville State hospital, with Mrs. E. L. Hill as hostess. Members of all the women's clubs of Morgan county were invited as special guests of the occasion, and there were 250 or more ladies present. At least half of the guests were from points outside of Jacksonville, various points in the country being well represented.

The meeting was called to order by the president, Mrs. J. M. Wolfe, after which Dr. E. L. Hill gave an address of welcome. He gave some general facts about the institution, speaking of the large number of patients now being cared for there and of the large appropriation made by the state for its maintenance. Dr. Hill also referred to the large number of visitors to the institution in the course of a year, stating that an average of ten persons not resident in Jacksonville visit the hospital each day. He said that the pay roll of the institution amounts to about \$1,000 daily, and thus a large amount of money is put into circulation here.

Therapeutic Work Explained
Dr. Hill then briefly referred to the work which is now being done in occupational therapy at the local institution, which is the first large one thus organized in the state. At the close of Dr. Hill's remarks, which were heard with great interest, the visitors were taken in groups of twenty-five on an inspection tour of the hospital. The groups were accompanied by doctors and head nurses, who explained the work being carried on in the various departments. Among the departments visited were the following:

- Vocation training for ex-soldiers—all branches of educational and manual training.
- Industrial building—cloth and rug weaving, chair making, fiber and wood, shoe repairing, art, drawing and designing dressmaking, and millinery.
- Tailor shop—Men tailoring and repairing.
- Sewing room—Linen, dresses and reconstruction department.
- Kindergarten class—Primary reconstruction.
- Habit training class—personal care.
- Occupational center—grade A. B. C. therapy, top shop, rug weaving, clay modeling, basketry, and fancy art.

The visitors then returned to Amusement Hall where a musical program was given by the patients under direction of Miss Carolyn Hoppe, who is in charge of the occupational therapy work. The work of the hospital band is especially noteworthy. This organization is made up entirely of patients, under the leadership of C. V. Richardson, who is a graduate of the School for the Blind. Altogether the program was one which clearly indicated what is being accomplished at the hospital along musical lines, and was heard with great pleasure by the large audience.

Among the visitors was L. H. Becherer, superintendent of charities, and Colonel and Mrs. Smith of the School for the Deaf. Mr. Becherer took occasion to compliment the institution on the program presented and the good showing made in various departments. He said that what is being accomplished here in occupational therapy is not surpassed anywhere else in the state.

The visitors were especially interested in their visit to the toy shop. Here all manner of toys are in the making in preparation for the bazaar which will be held prior to the holiday season. In the sewing and fancy work sections these are also very busy days and numerous articles are being made for the holiday season.

Musical Program
The musical program presented during the afternoon was as follows:

- Overture . . . Holiday Orchestra
- Dorothy Roberts, singing . . . "I Want My Mammy"
- Mabel Lange and chorus . . . "Gypsy Lady, I Love You"
- Edgar Dreisselman . . . "Peggy O'Neil"
- Edgar Dreisselman . . . In High Class Ballads
- Hospital Band . . . Selections
- C. V. Richardson, Leader
- Swing Song . . .
- Chorus of Six Voices
- Dorothy Roberts and Chorus . . . "The Tennis Girls"
- Finale.

Address: "Occupational Therapy in Its Application," Miss Carolyn Hoppe.

The staff at the local institution includes the following:

- E. L. Hill, M. D., managing officer; I. F. Fennel, assistant superintendent; T. L. McLin, assistant physician; L. L. Abbott, M. D.; G. W. Lucas, M. D.; O. L. Asher, M. D.; F. J. Smith, M. D.; J. D. Smith, dentist; Jennie Adkins, chief nurse; Carolyn Hoppe, chief occupational therapist; Mrs. Edith Miller, social worker; Ruth Roman, social worker; Cornelia Wormalt, dietitian; Guy T. Ledgerwood, director, veterans' training center.

Mr. and Mrs. Charles Dalrymple and Mr. and Mrs. George Myers and family, spent Sunday with their cousins, Mr. and Mrs. J. I. Man, east of the city.

LEAVES COUNTY SERVICE
Howard Wanamaker, who has served as janitor of the court house for a long period of years, has resigned his position which has been filled by Hubert Weatherford, a son of Sheriff W. H. Weatherford. While he has been in charge of the court house building, Mr. Wanamaker has also served as a deputy sheriff. In many ways he has proven a valuable employee of the county and his services have been appreciated. Mr. Wanamaker leaves the service with no ill feeling toward the sheriff because of the change, which he deemed best to make at this time.

GOT DIRT IN HIS EYE
Charles Brainer of Arenzville was brought to Dr. A. M. King yesterday, to have some dirt removed from his eye. He had the peculiar experience of getting his eye full of dirt while currying a horse. The eye was not seriously injured but was badly inflamed and he will not have normal sight for two or three days.

FORDS RUN 34 MILES
ON GALLON GASOLINE

Start Easy in Coldest Weather—
Other Cars Show Proportionate
Saving.

A new carburetor which cuts down gasoline consumption of any motor and reduces gasoline bills from one-third to one-half is the proud achievement of the Air-Friction Carburetor Co., 1616 Madison street, Dayton, Ohio. This remarkable invention not only increases the power of motors from 30 to 50 per cent, but enables every one to run slow on high gear. It also makes it easy to start a Ford or any other car in the coldest weather. You can use the very cheapest grade of gasoline or half gasoline and half kerosene and still get more power and more mileage than you now get from the highest test gasoline. All Ford owners can get as high as thirty-four miles to a gallon of gasoline. So sure are the manufacturers of the immense saving their new carburetor will make that they offer to send it on thirty days' trial to every car owner. As it can be put on or taken off in a few minutes by anyone, all readers of this paper who want to try it should send their name, address and make of car to the manufacturers at once. They also want local agents, to whom they offer exceptionally large profits. Write them today.—Adv.

Mrs. Joseph Britton of Franklin was a city arrival yesterday.

Mr. and Mrs. J. W. Lehman of

NAPOLEON'S IDEAL WOMAN

The great Napoleon, in response to a question once asked by a lady, replied "My ideal woman is not the beautiful society belle or the butterfly of fashion, but the matron who reaches middle age in complete preservation of health, with stalwart children by her side."

There are a great many women of middle age who owe their good health to Lydia E. Pinkham's Vegetable Compound, that famous medicine for female ills. For almost fifty years this wonderful medicine, compounded of roots and herbs, has been restoring suffering women to health.—Adv.

Springfield were city callers yesterday.

Miss Mabel Dahman was down to the city from Prentice yesterday.

BRIDGE BUILDER HAD CLOSE CALL

Frank Price Often Became Dizzy While Perched on Beam Hundred Feet in the Air.

"I feel every bit of twenty years younger, and if everybody in Chicago knew what I do about Tanlac, the clerks at the drug stores couldn't wrap it fast enough," said Frank T. Price, well known bridge carpenter of 186 West Madison St., Dixon, Ill., while on a visit to Chicago.

"I suffered from indigestion so bad that things looked mighty gloomy, and life seemed hardly worth living. I was in such a weak and run-down condition before I got Tanlac I could hardly pull my saw or help lift a timber. When I stooped over to pick up something I felt like my back would break in two. My nerves cheated me of many hours of sleep at night. Often while perched a hundred feet or so above the ground, working on a bridge, I got so dizzy I just had to grab a beam or rod to keep from falling."

"The very first bottle of Tanlac helped me so much I saw right then it was the very thing I needed. New health seemed to flow right to my finger tips, and four bottles of the medicine have made me feel all 'set for action.' I have an appetite like a hard working man ought to have and there isn't a thing wrong with my digestion. It takes more than a hard, fast day's work to tire me, and I would like to tell the whole world about what Tanlac has done for me."

Tanlac is sold in Jacksonville by J. F. Shreve, and leading druggists everywhere.—Adv.

ANNOUNCEMENT.
As the candidate for the Republican party for county commissioner selected at the recent convention, I will appreciate support given me at the polls, and if elected will fill the office to the best of my ability.

McDougall

THE FIRST KITCHEN CABINET

Cuts It In Half--Kitchen Drudgery

Five Dollars puts a McDougall in your kitchen today.

A McDougall brings your Kitchen to your finger tips. It saves you countless steps each day, does away with reaching and lifting, and gives you at least one hour a day more leisure.

The First is still the Foremost Kitchen Cabinet on the market today. Yet our easy terms make it possible to put "A McDougall in Every Home."

Act today. Only a few cabinets left to be sold on these liberal terms.

South Main Street

Step on the Bear-Cat's Tail

You'll think they shot you out of a rapid-fire Hun-silencer. The folks that taught this Bear-Cat to jump knew some tricks. There's GO in the Bear-Cat's sinews. When he talks to your motor, something happens.

Bear-Cat plates are porous, so that the electrolyte gets at all the active material all at one swipe. They're strongly hand-pasted, so that the active material stays and wears and lasts.

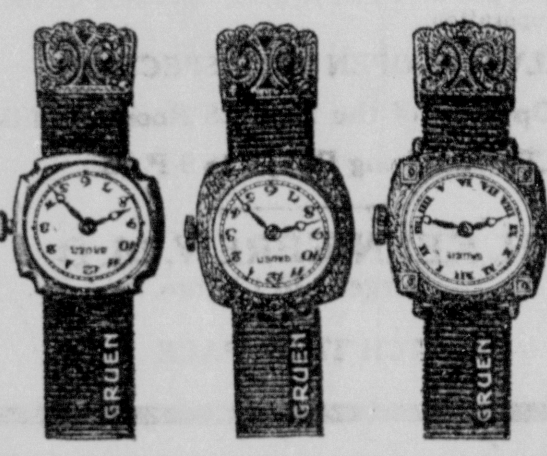

The separators are of specially treated Port Orford cedar—very porous. That helps to get the action.

All current-carrying parts are oversize, too.

You want to step on a Bear-Cat in your car. Come in here and have a look.

Buy a pipe—and some P.A.
Get the joy that's due you!

We print it right here that if you don't know the "feel" and the friendship of a joy's jimmy pipe—GO GET ONE! And—get some Prince Albert and bang a howdy-do on the big smoke-gong!

For, Prince Albert's quality—flavor—coolness—fragrance—is in a class of its own! You never tasted such tobacco! Why—figure out what it alone means to your tongue and temper when we tell you that Prince Albert can't bite, can't parch! Our exclusive patented process fixes that!

Prince Albert is a revelation in a makin's cigarette! My, but how that delightful flavor makes a dent! And, how it does answer that hankering! Prince Albert rolls easy and stays put because it is crimped cut. And, say—oh, go on and get the papers or a pipe! Do it right now!

PIONEER RESIDENT OF WHITE HALL DIES

Remains of Mrs. Rebecca May Laid to Rest Monday Afternoon
A. L. McClay Sells Large Acreage—Other White Hall News

White Hall, Oct. 31.—Funeral services over the remains of Mrs. Rebecca May, age seventy-two years, a pioneer resident of White Hall, were held in the Methodist church at 2 o'clock today, the discourse being delivered by Rev. J. O. Kirkpatrick. The interment was in the White Hall cemetery. The remains arrived here from Gary, Indiana, at noon Sunday, over the C. & A., and were taken to the home of the deceased's sisters, Misses Mary and Alice Welch, on South Main street.

Since the death of her husband, Rufus May, fifteen years ago, Mrs. May resided with her daughter, Mrs. Cora Duff, at Kewanee, until the death of the latter a little over a year ago, when she went to Gary to reside with her son, Webster. About three weeks ago she suffered an attack of acute indigestion, but it was understood that she had recovered, and news of her sudden death Friday morning came as a complete surprise.

The deceased was a member of an old White Hall family, and almost sixty years of her life were spent at White Hall. Her father was the late R. B. Welch, who conducted a flour mill on South

Main street, immediately north of Pine Grove stock farm. The only survivors of the Welch family are Misses Mary and Alice Welch, residing on South Main street. The deceased brothers were J. E. Webster and R. A. Welch.

Of the members of the May family, the only survivors are Webster of Gary, Indiana, and Richard of Moline. George died over two years ago.

Buy Stock Farm
A. L. McClay has sold 460 acres comprising the former Lowenstein dairy farm, lying south of Hillview. The purchasers are F. D. Vossler, W. F. Dillman and Frank Arnold, and it will be devoted to stock raising under the management of the latter. Mr. McClay will henceforth devote his undivided attention to apple-growing, by relinquishing his farm interests. He has added some 250 acres to his orchard holdings, and further additions will be made as rapidly as trees are available.

Mr. and Mrs. J. R. Stanton left Sunday for Bushnell on their return to Chicago. This is Mrs. Stanton's first visit, and she took great interest in the landmarks and people associated with the boyhood history of her husband, and visited the institution in which he has financial connection. This big book publisher has always had faith in his old home town sufficiently to let his pocketbook largely tell it.

The American Legion special out of Roodhouse on the C. & A. Sunday night carried Capt. Dean Corsa, Clyde King, Mr. and Mrs. Lynn Smith.

J. R. Stephenson, C. & A. train dispatcher at Roodhouse, father of Mrs. Elton Robley, is recovering from an illness of several days.

Hallowe'en events are so numerous as to preclude individual mention of the various functions. The Hudspeeth brothers were arraigned at Roodhouse last Friday on the charge of stealing fourteen cases of eggs from the Hoesse poultry house in that city, and were held to the grand jury. They are now in the county jail. They said the fourteen cases had been secluded in a straw pile on the Knight farm west of White Hall, and officers from Roodhouse located and returned with the property.

Barn Struck by Lightning
The barn on the Clarence Akers' place, a mile north of White Hall, was struck by lightning at 3 p. m. Sunday and completely destroyed. The place is occupied by Frank Akers. Both barn and contents were covered by insurance. The contents consisted of machinery, twenty acres of oats, 100 bushels of corn and lesser items. All the stock was saved. The total loss is estimated around \$2,000. At White Hall there was only a trace of rain, but north and west there was heavy precipitation that seemed to gain full force around Louisiana, Mo., where there may have been some damage.

News Notes
The marriage of William Mungel, of Carrollton, and Miss Bessie Young, daughter of Mr. and Mrs. T. K. Young of White Hall, took place at Carrollton Sunday. Details are lacking at this hour, as the event was entirely unexpected, even to the parents. The bride is a worthy young lady, and was for some time connected with the Bell telephone exchange before that office was discontinued.

The lecture engagement of Rev. E. H. Richards, D. D., is announced for the Methodist church on Thursday and Friday nights of this week, and every effort is being made to impress upon the people the importance of this engagement. Reverend Richards had two open dates that he gave to this section, and churches at other points made an effort to secure one of the dates, but a compromise was effected whereby both dates remain at White Hall, and the pastors at Greenfield, Winchester, Carrollton and Roodhouse are invited to cooperate in making the attendance as large as possible. Reverend Richards, while located at Imhambane, Rhodesia, adopted a discarded language of those people and secured its general use in Rhodesia, a feat in itself that is sufficient recommendation of the literary standing of the man.

Personal property in the estate of James T. Daddis will be sold at auction at his late residence near Concord, Wednesday, Nov. 2, at 1 p. m. sharp, including household goods live stock, implements, and other goods. Terms cash.

H. C. CLEMENT,
Administrator.

BIRTHDAY PARTY AT DAVIS SWITCH HOME

Mr. and Mrs. William Paul Give Party in Honor of Son's Birthday — Other News From Davis Switch Neighborhood.

Mr. and Mrs. William Paul gave a party Saturday afternoon in honor of the tenth birthday of their son, Theodore. The occasion was also in honor of the seventh birthday of little Miss Mary Harney, daughter of Mr. and Mrs. Robert Harney. The schoolmates of the two children were the guests of the afternoon and all had a very pleasant time. Mrs. Paul was assisted in entertaining by her daughter, Miss Alice Paul, and the teacher, Miss Cosgriff.

In the late afternoon dinner was served, the menu being one which the little guests found very acceptable.

The infant daughter of Mr. and Mrs. William Casey is still at Dur Saviors' hospital but is now improving nicely.

Mrs. Leach spent Wednesday at the home of Mrs. Jack Robinson east of the city.

Mrs. Sam Butler has been a great sufferer the past week from an abscess on the eyeball. Dr. Gregory attending her. Mrs. Butler is now much improved.

Mr. and Mrs. William Paul were week end visitors in the city.

D. Shepard, who has been quite ill for the past two weeks, is able to be out again.

Mrs. Dick Butler has spent the week caring for Mrs. Charles Burrows and infant.

Mrs. Edward Hoofman and two children of Jacksonville and Mrs. Jack Leach spent Thursday with Mr. and Mrs. L. J. Crouse of Murrayville.

PRICE OF WHEAT TAKES TUMBLE

By Associated Press.
CHICAGO, Nov. 1.—Wheat
prices collapsed today to new low
price records for 1921. The break
followed persistent liquidation in
a market that was without any
robust support. There was a
nervous finish 51 to 6c net lower,
with December \$1.02 to \$1.024
and May \$1.061 to \$1.071. Corn
lost 12 to 15c to 20c and oats
11 to 12c. In provisions the
outcome ranged from 17c decline
to a rise of 2c.

Barish sentiment which pre-
dominated from the outset in the
wheat trade received fresh im-
petus on account of estimates
cabled from British sources that
the world's crop total was 88,-
000,000 bushels, larger than a
year ago. Another depressing fac-
tor was an announcement that stocks
of grain afloat in Buffalo harbor
would hereafter be included in the
United States visible supply
figures. No acute weakness how-
ever, developed until midday
when attention was directed to
reports that congestion of railroad
and port facilities at Galveston
had tied up much grain for which
the country owners were unable
to get their money very rapidly.
Conditions at New Orleans were
also reported as embarrassing
with 1,200 cars of grain on track
there unladen. Under such cir-
cumstances, holders here liquidat-
ed freely, and in the final hour
the descent of values proved
swift. Exporters were said to
have taken advantage of the six
cent drop which occurred, but the
market made no important rally
and the amount of purchasing for
Europe could only be guessed.

Corn and oats went downgrade
with wheat.

Oats reached the lowest level
yet this season and corn nearly
so.

Provisions were bearishly af-
fected by setbacks in hog values
as well as in grain.

Chicago Livestock Market

By Associated Press.
Chicago, Nov. 1.—Cattle—9,-
000. Beef steers mostly steady.
Few choice steers and feeders
steady to higher. Top yearlings
\$11.50; best heavy steers \$8.50;
weight 1,750; she stock steady;
hulls strong; calves weak, to
25c lower. Stockers and feeders
closed weak.

Hogs—30,000. Opened 10 to
15c lower than Monday's average.
Closing weak; holdover moderate,
practical top \$7.95; light lights
up to \$8.15; bulk \$7.25 to \$7.55;
pigs steady; bulk \$8 to \$8.25.

Sheep—25,000. Killing classes
generally steady; feeder lambs
strong to 15c higher. Top native
lambs \$9.15; bulk \$8.50 to \$9.00;
\$8 to \$8.25; best 100 to 109 pound
feeder yearlings \$7.25; fat ewe
top \$4.75; bulk sheep \$3.75 to
\$4.75; bulk feeder lambs \$7.75 to
\$8.00.

DEALINGS IN RAILS RELATIVELY NOMINAL

By Associated Press.
NEW YORK, Nov. 1.—Changes
occurring in today's moderately
broad but irregular stock market
again were influenced almost en-
tirely by adverse technical con-
ditions and bearish professional op-
erations.

Oats held their recent lead as
the most active issues. Dealings in
rails were relatively nominal. In-
dustrials of the steel, equipments,
motors and affiliated types un-
derwent lower price schedules,
actual of prospective and dim-
inished earnings. Tobacco reas-
ed on rumors of a trade war and
further losses among tool, chemi-
cal, rubber and several of the
mail order and merchandising
specialties were traceable to
similar causes. Sears-Roebuck's
smaller October sales being a case
in point. Sales amounted to 625,-
000 shares.

Considering the heavy transfer
of funds incidental to November
payments the money market was
comparatively easy. The 5½ per
cent opening rate eased to five
per cent foreign exchange again
reacted the slight setback in ster-

GEORGE W. BRADLEY DIES AT WAVERLY

Veteran Physician Passes Away
Tuesday Morning—Father of
Dr. G. R. Bradley of This City.

Waverly, Nov. 1.—Dr. George W. Bradley, a medical practitioner for fifty years, died at his home in Waverly this morning.

Decedent was the son of Richard and M. Baker Bradley and was born in Holden, Mo., June 25, 1838.

He was united in marriage to Miss Rebecca Ann Deatherage of Waverly who died 38 years ago. Later he was married to Miss Emma Chrisman of Merritt, who survives. He is also survived by two sons of his first marriage, Dr. Milton M. Bradley of Chatham and Dr. George R. Bradley of Jacksonville.

Dr. Bradley came to Waverly early in life and for many years followed his profession in that city and was widely known throughout this section of the state. Dr. Bradley was a member of the

Waverly Christian church and was held in high regard in his home community. Funeral services will be held from the residence in Waverly at 2:30 o'clock Thursday afternoon in charge of the Rev. Myron L. Pontius pastor of Central Christian church of Jacksonville.

KNIT COATS
Vests and Pull Overs are shown in desirable materials and colors at FRANK BYRNS Hat Store.

OUTING CLUB
HAD MASQUERADE
The Jacksonville Outing club enjoyed a pleasant evening Monday at the home of Mrs. Amelia Sharp on West Lafayette avenue. The house was nicely decorated for the occasion. The members all came masked and much amusement was afforded in guessing who they were. The president of the club is C. M. Sharpe and Miss Nina Robertson is secretary.

R. Shoemaker made a business trip to Barry yesterday.

TIME LIMIT ON WAR RISK INSURANCE

Veterans are Warned That December 31st Is Final Date for Reinstatement.

Announcement has just been made by the Washington office of the United States Veterans' bureau that the time limit for reinstatement of War Risk Term Insurance expires December 31, 1921. It is very important that all ex-service men who care to reinstate their insurance, which they have allowed to lapse, do so by that date for after that time no re-instatements will be handled.

Briefly, the requirements for re-instatement are as follows: (1) If the ex-service man is drawing compensation or is disabled as a result of an injury or disease contracted in the military or naval service during the World war, but is not totally and permanently disabled, he may re-instate his lapsed or cancelled yearly renewal term insurance by having a full medical examination to show that he is not suffering from any disability other than that contracted in service. After he has completed the medical examination satisfactorily, he is required to pay back monthly premiums which would have become payable if the insurance had not lapsed together with interest at a rate of 5 per cent per annum, compounded annually, on each premium from date said premium is due by the terms of the policy.

(2) If the ex-service man is in good health and his insurance has lapsed for less than three months, it will be necessary for him to sign a statement that he is in good health and pay two months premiums on the amount of the insurance he wishes to reinstate.

(3) If the insurance has lapsed for more than three months and less than six months it will be necessary for him to have a short medical examination made and pay two months premiums on the amount of the insurance he wishes to re-instate.

Any ex-service man is interested in re-instating his insurance may secure re-instatement blanks or further information regarding

re-instatement by writing, or calling at the Insurance Section of the U. S. Veterans' Bureau, 14 E. Congress street, Chicago, Ill.

SWEATERS for any occasion are shown by FRANK BYRNS Hat Store.

SUMMARY OF OCTOBER WEATHER
Temperature

Mean maximum 69.7°; mean minimum 43.6°; mean temperature 56.6°, or 0.7° above normal. Maximum 83°, date 17th; minimum 29° date 12th.

Precipitation
Total 2.76 or 1.99 inch above normal. Greatest in 24 hours, 1.65, date 29th.

Number of days with .01 or more precipitation, 5; clear, 18; part cloudy, 9; cloudy, 4. Light frost on 4th, 8th, 12th, which did very little damage to vegetation. Month ended without a real killing freeze.

GEO. H. HALL,
Observer for U. S. Weather Bureau

Fran Tarewell was up to the city from Murrayville yesterday.

NOTICE
The undersigned, living in the vicinity of Arnold, will allow no hunting on their farms:

H. J. Rice,
J. W. Arnold,
George Holley,
John Holley,
Marcus Hulett,
Robert Hamilton,
Roy Robson,
Otis Mason.

Mr. and Mrs. Irvin Patterson of Litterberry helped swell the list of city callers yesterday.
